

## The benefactor:

The tenth annual City of La Vergne Golf Scramble will support the La Vergne Police Athletic League, a very important group in our City:

The La Vergne Police Department's Police Athletic League. The Police Athletic League is a non-profit organization affiliated with LPD which attempts to reach youth through athletics. The program combines athletics, education and counseling to build a common bond between the police department and the community.

The program was formed in 2000 and already we have more than 300 young people from the age of 7-17 who are enjoying the activities we have to offer.

Among the events we have sponsored or are offering at this time are: chess, theatre, bowling, anger management/conflict resolution, homework help, dancing and more. In addition, we offer mentoring for at-risk young people.

The La Vergne Police Department Police Athletic League will encourage children to broaden their horizons, to raise personal expectations, to create enthusiasm through success and to develop leadership potential.

The PAL has four goals:

- 1). To provide a positive and exciting experience for boys and girls 7 to 17 years of age.
- 2). To guide youngsters in making responsible decisions in life by furnishing a positive role model whose attitudes and behavior can be emulated.
- 3). To foster communications and understanding between our youth and the police by encouraging friendship among them.
- 4). To reduce the incidence of juvenile crime, substance abuse and gang violence.

Kids want to be helped and PAL wants to help kids. Why not let your children be a part of PAL? You'll be making a meaningful investment in their future. PAL is for La Vergne students 7 to 17 years of age.
